**Tuesday - 21 July 1964**

1. (Internal Use Only - PJC) Our proposed technical amendment to the Federal Pay Bill was left with Mr. William Gullledge, Staff Director, Senate Post Office and Civil Service Committee, for his consideration.

2. [ ] Met with Fred Mosmer, Staff Director, Senate Subcommittee on Immigration and Naturalization, and discussed Senate bill number 2978, which pertains to the naturalization of employees of the Free Europe Committee. Mr. Mosmer stated that he doubts that the Subcommittee will take any action on this bill before the end of the current session, but that reports on the bill were requested of the Department of Justice and the Department of State. I advised Mr. Mosmer that the Agency had an interest in this bill and that we would appreciate his notifying us should any action be taken on the bill by the Subcommittee. We are querying State and Justice with regard to the timing and substance of their responses.
